PRESENT AT THE 31st birthday party of the American Legion Auxiliary here last Thursday night were, from left: Mrs. Evelyn Bauer, unit president; Mrs. Thelma Proctor, first vice president of the local unit; Mrs. Amelia Hammond of Pomona, president of

the 18th District, and Mrs. Dorothy Cornaga, first vice president of the 18th District. The unit celebrated its 31st anniversary in the Clarence Mosher home, 265 N. Mountain Trail. Honored guests were charter members and past presidents.

Mrs. America Entries Must Be In by March 3

Sierra Madre homemakers have only until March 3 to enter the 1956 Mrs. America contest, according to Dr. Donald W. McCormack, president of the Sierra Madre Exchange Club.

"Sierra Madre housewives should be cautioned," Dr. McCormack said, "that only entries received by midnight, Saturday, March 3, will be eligible to join in the contest and vie for honors and more than \$25,000 in prizes."

Entry blanks still are available at appliance dealers, super markets, gas company offices and many other Sierra Madre merchants.

"Many entries have been received already, but we are sure that there are still some Sierra Madre homemakers who would be outstanding contestants for the title of Mrs. California and even Mrs. America," Dr. McCormack added.

According to Dr. McCormack, the committee to select Mrs.

Three Named To Manage Parking Lots

The appointment of three Sierra Madre businessmen as commissioners for the new parking district was approved unanimously Tuesday night by the City Council.

Mayor Charles H. James presented the names of Carl Hansen, Don Jackson and Tom Schwartz. The commissioners will be in charge of the three new parking lots which should be completed within a few months.

The commissioners will serve without pay for terms of one, two and three years. They will determine the length of their terms and name one of their members as chairman.

Councilman Harold F. Roberts pointed out that many Sierra Madres had been asked whether they would serve before the final selections were made.

Ex-Sierra Madrean To Head Jubilee Show

Mrs. Virginia Steinberger, former Sierra Madrean and well-known director of dramatics in Southern California, will direct the Diamond Jubilee pageant here in April, according to Col. Walter Thurber, general chairman.

Mrs. Steinberger and her husband, Milton, former mayor of Sierra Madre, now reside in Phoenix, Ariz. According to Col. Thurber, Mrs. Steinberger will fly back to Sierra Madre at her own expense to direct the pageant and to attend the jubilee.

The first rehearsal of Mendelsohn's "Elijah" will be held in the Congregational Church at 7:30 p.m. Tuesday. All singers and orchestral players are invited. The oratorio will be presented during Diamond Jubilee Week April 15. Sponsored by the Church Federation here, the production will feature 40 members of the San Gabriel Symphony Orchestra.

Col. Thurber also announced that Harold F. Roberts, councilman, will narrate the pageant, to be held in Sierra Madre School auditorium the evening of April 17 during Diamond Jubilee Week—April 15-21.

Planned events during the week will include:

1—Observance of the occasion in local churches on Sunday, April 15.

2—An essay contest in the local schools on Sierra Madre history.

3—A community dinner in the Women's Club House on April 16.

4—A Gay Nineties Fashion Show by the Women's Club at a community dinner.

5—A tribute to Sierra Madre citizens who are 75 or older, to take place at the community pageant.

'People and Animals' Comes To Library Gallery on March 4

By Marjorie C. Parker

Member, Friends of the Library Exhibit Committee

From his fabulous mountain-top studio in Altadena, artist Jirayr H. Zorthian is bringing an especially-angled exhibition to the Sierra Madre Library Gallery from March 4 through the 31st. Open House is this Sunday from 2 until 5 p.m.

The exhibit, entitled "People and Animals," will combine portraits and line drawings in oil, pen work and brushes. Portraits will range from the glowingly alive children whom Zorthian obviously enjoys painting, through satiric observations like "The Investigator" to the clean and subtle draftsmanship of his line drawings. Several works in the exhibit have not been seen before.

His animal oils and drawings will include abstracts, brilliantly colored, distorted; and several sketches, done on the spot, capturing insouciant spider monkeys or grumpy goats. Zorthian frequently paints at the zoo, balancing paper, ink and brushes, waiting impatiently for a good pose, and then—

"And then usually a little boy puts his head through my arm and says 'Mister, are you an artist?' while his friend is walking back and forth on the sketches I've laid out to dry. This can lead to a nervous breakdown," Zorthian prophesies.

Primarily a muralist, he has 40 major murals throughout the country. He exhibits in many national shows and has won awards, is a former trustee of the Pasadena Art Museum, twice chairman of the Pasadena Art Fair and prime mover behind the San Gabriel Valley Art Show, which now is an annual event.

Students in Pasadena junior and senior high schools will be released at noon today while teachers are the guests of business and industrial leaders in the community, the Pasadena school system announced yesterday.

Red Cross Drive Gets Under Way

The Red Cross fund drive in the Sierra Madre area got underway this morning with a rally of volunteer workers in the Woman's Club.

The workers headed by Col. Charles R. Gildart, local fund drive chairman, were scheduled to be addressed by Miss Beecher Smith, a representative from the National Headquarters of the Red Cross, Washington, D. C.

"The Red Cross is facing one of the most critical periods of its long history of service to mankind," Col. Gildart explained in launching the drive.

"During the fiscal year in which we now find ourselves it had in its ready and reserve funds \$28,500,000. Because of the great disasters on our east and west coasts all but \$1,000,000 of those funds have been expended or committed, and we still have before us, until June 30, 1956, the months which historically have been stricken most by great disasters."

He pointed out that the national fund-raising goal this year has been set at \$90,000,000 — \$8,000,000 above last year's target. The goal in Sierra Madre is \$6,913, of which \$4,413 will be put to local use.

"To enable the Red Cross to meet in its traditional manner the human needs of distressed and hard-put people everywhere under the folds of the flag," Col. Gildart said, "the organization will need a 15% increase in giving over the experience of last year."

He Must Like His News Hot

Somebody who apparently has a grudge against newspapers made a circuit through Sierra Madre last week and set fire to five bulky Sunday editions that had been thrown in driveways.

The newspapers, which were wrapped in a wax protected cover, were burned at 189 N. Hermosa, 134 Auburn, 145 E. Sierra Madre Blvd., 197 Rancho Road and 631 Orange Grove.

Mae M. Heston, 734 W. Alegria, also reported to police that a magazine in her mailbox was partially burned when she went to get it last Monday.

Recommendations For New Member Of Board Asked

The Sierra Madre School Board has invited civic organizations to recommend a replacement for Board Member George Feichtmann, whose resignation was formally received and accepted Tuesday night.

In other actions Tuesday night the board:

1—Decided against reopening the school cafeteria this semester after receiving the results of a poll recording 212 against reopening and 165 in favor.

2—Authorized Miss Betty Newton, principal of Sierra Madre School, to attend an Elementary School Administrators Association meeting in Los Angeles during Easter week.

3—Heard reports on classroom procedures and curricula from Mrs. Margaret Ransom, fourth grade teacher, and Mrs. Lenore Batchelor, fifth grade.

Special Census May Bring An Additional \$5,000 to City

The City of Sierra Madre expects to realize approximately \$38,000 annually from the one per cent increase in the sales tax which will go into effect April 1.

The City Council at its meeting Tuesday approved the second and final reading of the ordinance boosting the total sales tax to 4 per cent.

City Administrator Lawrence Bevington said the city now is in the process of setting up a policy under which the additional revenue will be spent.

The city also expects a \$5,000 annual windfall from the results of a special census which may be taken within the next few months by the U.S. Census Bureau.

The Council authorized the drafting of a special resolution which would request the Census Bureau to count the number of residents now living in Sierra Madre. The total population of the city, it is estimated, has risen from 7,769 in May, 1952—date of the last official census—to at least 8,500 today.

It will cost Sierra Madre \$1,550 to have a special census taken, but the city expects to net \$5,000 the first year as a result.

The additional money will come to the city, Mr. Bevington explained, from the state through Sierra Madre's increased share of the gasoline and motor vehicle license taxes.

Concerning the sales tax increase, councilmen had little choice but to approve it since it would have been collected in any event by Los Angeles County. If the council had failed to approve it, Sierra Madre would not have received any money from the additional one per cent.

In other action the council: 1. Approved a lot split request from Helen R. Keating on her property on the southwest corner of Lima and Manzanita. Mrs. Keating, who was represented by Attorney Noren Eaton, plans to split her property into two additional lots.

The council had proposed to widen Manzanita to make it conform with the width of the remainder of the street for a distance of 463 feet in front of lots owned by Mrs. Keating and by Roy Martin. The right-of-way for all of Manzanita thus would have been 60 feet.

Residents of the area, however protested on grounds that

if the street were widened a traffic hazard would be created. The street right-of-way at Manzanita and Lima is only 30 feet.

2. Approved the appointment of Thomas Butch as an administrative intern, or assistant to Mr. Bevington, on a temporary basis at a salary of \$150 hourly.

Mr. Butch is a graduate student at USC and will work, probably for one semester, with Mr. Bevington Wednesdays and Fridays. Mr. Butch, who has a Bachelor's Degree in political science, is studying city administration.

3. Accepted the streets in the new tract below Sierra Madre Blvd. at Canon Ave. The city will erect street signs and plant 90 Holly Oaks. Under an agreement with the city, the cost will be paid by the subdivider, the J. A. Wilson Building Co.

4. Took the first legal steps to improve Cypress Court. Improvement will consist primarily of grading, paving and removing some trees. All property owners affected will be notified of the intended improvements.

Tennis Club Sets Match March 18

The Sierra Madre Tennis Club is sponsoring another tournament March 18 similar to the one held last Dec. 11. Matches will be played here and at Marshall Junior High in Pasadena.

Byron Hopper, Sierra Madre jeweler, will donate the trophies.

Those wishing to participate should contact Peter Cowell at ELgin 5-2754 before March 15. Mr. Cowell also said that an area-wide meeting will be held Wednesday in the Arcadia Bowling Club to promote an annual tennis tournament for foothill communities.

THE SIERRA MADRE DEMOCRATIC CLUB elected new officers at a meeting Monday night in Alfred Dewey's studio on Windsor Lane. From left are Mrs. Evelyn Sioman,

recording secretary; Ray A. Johnson, president; Mrs. Thomas Lathe, treasurer; David Aronson, retiring president, and Mrs. Margaret Ascher, corresponding secretary.

City Gets Set for Wistaria Hunt

Literally hundreds of merchandise prizes will be available for lucky ticket holders again this year during Wistaria Treasure Hunt Days, April 5, 6 and 7, in Sierra Madre.

Treasure Hunt Days, which will feature not only prizes but some of the best merchandise of the year, will coincide with the 42nd annual Wistaria Vine Festival that is held here each spring.

Sponsored by the Sierra Madre Chamber of Commerce, Treasure Hunt Days will be discussed fully at a Chamber

luncheon March 8 in the Woman's Clubhouse.

About the first of April, the Chamber will send wistaria-colored tags to approximately 7,000 families in the Sierra Madre shopping area. Each tag will bear a number.

Virtually every store in Sierra Madre will have some of its merchandise tagged. If your tag matches one in any store, you will receive that item free.

It's not quite as easy as it sounds, though, since tagged items will be distributed throughout the stores. You will

have to browse around to find them, although the prize items will be plainly marked, not hidden.

Sierra Madre merchants designed Wistaria Treasure Hunt Days as a means to let area residents examine their stores and stock on display, while searching for the lucky number that matches the number of the ticket they hold.

Members of the Chamber committee planning the affair are Mrs. Peggy Lusman, chairman; and Tom Schwartz, Larry Garland, Robert Lane, Carl Engel and Don Jackson.

NEW OFFICERS OF THE Sierra Madre Republican Club elected Monday night are, from left: Col. Charles E. Morrison, president; Mrs. Walter D. Thurber, secretary; Mrs. William M. Hawkins Jr., vice president,

and Walter H. Killam, campaign chairman. James H. Wolfe, treasurer, is not shown. Mrs. Charles H. James was appointed precinct chairman and Richard Thayer was named finances and membership chairman.

Hide That Cigar Box, Mr. Pickett

Ho, Hum! Burglars were at it again last weekend at Roy Pickett's Service Station, 18 E. Sierra Madre Blvd.

Sierra Madre police reported they took approximately \$31 this time from the same cash register and identical cigar box in a desk drawer. They entered through the transom over the front door.

This marked the fourth time since November that the service station has been burglar-

ized. The first time, police arrested the burglar and recovered the loot. The last three times, though, the culprits got away.

Another burglary here was solved last Saturday with the arrest of Gordon Goldstone, 33, at his home at 131 S. Baymore, West Covina. The arresting officers were R. A. Heasley and H. S. Embree.

Goldstone is charged with stealing three power saws and

a stud gun from a garage at 490 N. Michillinda, a new tract. The equipment, valued at \$820, has all been recovered.

Police Chief Gordon McMillan said Goldstone installed electrical equipment in the house at that address and apparently noticed the power equipment in the garage.

Goldstone has been arrested and will appear at a preliminary hearing tomorrow in Pasadena Municipal Court.

Time to Return the Favor

Forty-two times last year our local rescue crew made the arduous and perilous trip into the mountains to rescue a human being in trouble.

It is impossible to estimate the countless other times during the past nine years that the selfless service of these unpaid volunteers has saved a life.

When anyone needs help — no matter what the hour or the peril involved—these men answer the call.

Well, now they need help. And we're the ones who must answer the call.

Since its founding in 1947 as the area's first mountain rescue group, members of the Sierra Madre Search and Rescue Unit have paid for their own equipment.

Now the group needs about \$952 to replace worn-out equipment and to buy new items made necessary by new developments in the field and by the increased number of rescues in recent years.

This figure represents about half of the total cost of outfitting the rescue unit. The other 50% of their equipment is being provided by the members themselves.

When you consider the magnitude of these men's contribu-

tion to the community—often at a non-inconsiderable cost to themselves—the least the community can do is shoulder the cost of keeping them properly equipped.

The crew put in 378 man hours last year on rescue work. Each member will spend from 90 to 100 hours in the next six months on training programs and public information services.

Their time means money to them as well as to the rest of us. One member, for example, lost five days' pay for working time last on rescue missions.

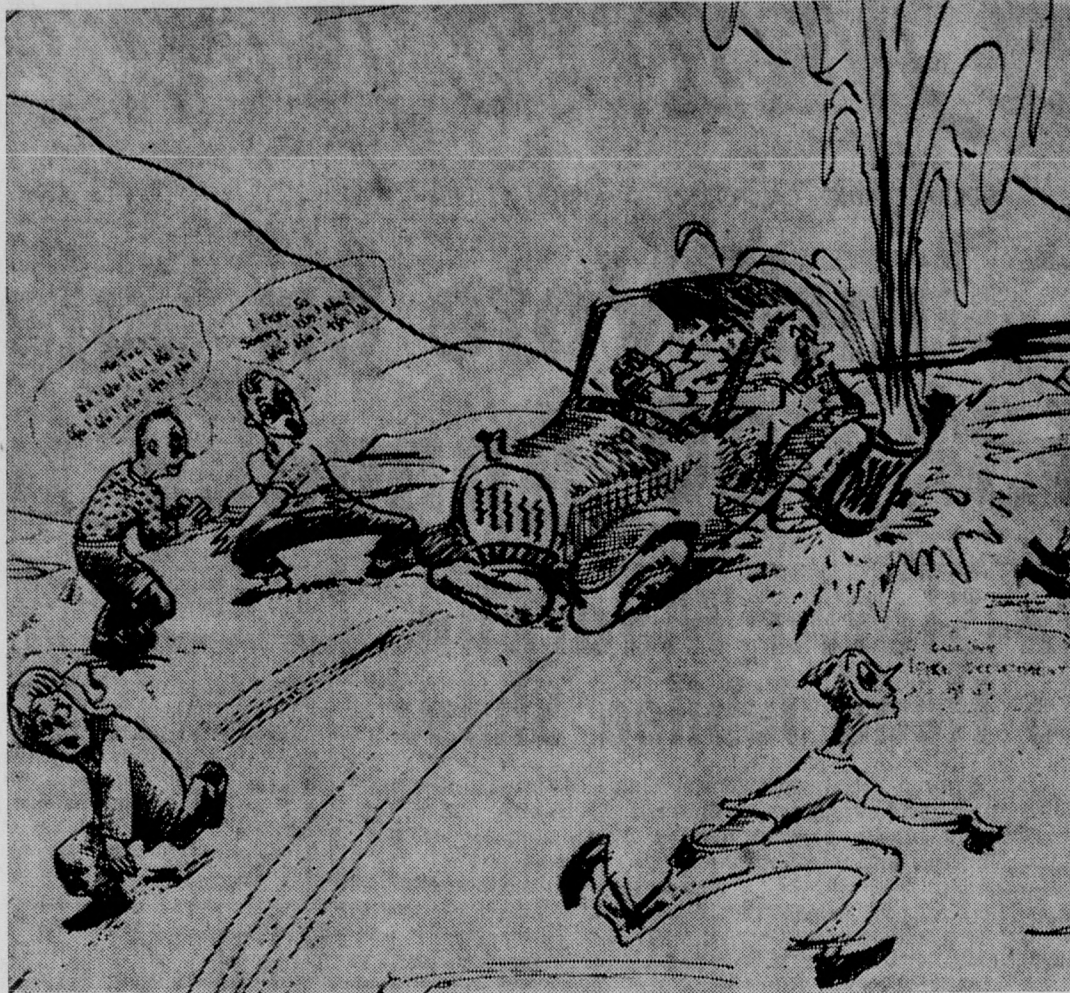

As I understand it, a drive is getting under way to provide the crew with the equipment it needs. The Lions Club definitely will provide some of it; plans of other groups still are in the formative stage.

But a large part of the funds needed will have to come through public contributions—possibly through a memorial fund to be named after 9-year-old Gregory Sadler, the mountain's most recent victim.

Whatever the final shape assumed by the fund drive, give generously.

I can't think of a more worthy cause.—W.F.T.

Heasley Locates a Fire Plug

"OF COURSE, I KNOW WHERE I'M GOING. I KNOW EVERY TURNED INCH OF THESE HILLS." Thus spoke Fire Chief Heasley a few weeks ago just seconds before backing into

a fire plug while on a canyon training trip with several of his volunteers. Cartoonist Maggie Ascher makes sure he won't forget it in a hurry.

Lee Shippey asks

What Do You Think?

I've never put much hope in the theory that the Russian regime is likely to be upset by a revolution but now I'm not so sure. At their recent so-called congress, Khrushchev made a 7-hour speech, someone else made a 5-hour speech and Bulganin made a 3 1/2-hour speech. By golly, I'd start a revolt if I had to listen to speeches like that. That's true boring from within.

out to Dick and Ruth and we shared in the pride they must feel, even in their great grief, for the heroic manner in which Judy died. After getting out safely, the brave and loving young woman rushed back in a vain effort to rescue her father. It is sad, indeed, to lose such a brave and beautiful spirit, but it will always be inspiring to remember her.

THIS COMMUNITY should be warmly appreciative of the hard work and sincere effort Col. Walter Thurber, Dr. Ray Pease, Raymond Andrews and many others are doing to make Sierra Madre's Diamond Jubilee an event we can long remember with pride. And all of us should feel it our duty to do anything we can to help. Heaven knows they aren't getting anything out of it but civic pride and a lot of work. But it seems certain that our school children and most of our residents will learn more than most of us know about our history and the reasons why we should be proud of our town, because of their unselfish efforts. If the Jubilee isn't a notable success it will be the fault of some of us slackers.

THE RICHARD ASTONS, victims of the fire on Fallen Leaf Road last week which took the life of their daughter Judith, looked on the Sierra Madre postoffice and numerous shops as partly theirs, and many Sierra Madrenans looked on the Astons as partly ours. Certainly our sympathy goes

POLITICAL ORATORS on both sides are primed to brag about themselves and denounce their opponents, and will confuse us quite a lot. But these things seem to me to be facts: Four years ago the Marshall Plan, NATO and the Berlin airlift had lifted our prestige in Europe. Point Four had made us many friends in India, Southeast Asia, the Middle East and South America. We hold nearly all the trump cards in world influence.

Now our position has deteriorated in Japan, Southeast Asia, India and the Middle East, our prestige in Europe has diminished, our own military experts warn us Russia "is closing the gap" and may be ahead of us in certain modern weapons and even our best friends in Europe no longer accept our leadership without reservation.

At home our farmers are in comparative distress and so are some industrial areas. What we need is less glowing oratory and more effective leadership. A politician is a doctor who tries to cure with promises instead of pills.

Letters to the Editor Column

Dear Editor:

Our president, Dwight D. Eisenhower, has made a request of the citizens of America to help him to make up his mind in regards to running for the second term as president of these United States of America.

Your Excellency:

It is fully recognized that the citizens of America have considered that your election to the presidency was according to the divine will, and that your life is in His hands and not in your doctor's hands. In Deuteronomy 33:25 God has stated that "as thy days, so shall thy strength be." Since God has made this promise you can rest assured that strength will be given to you. God never fails, and seeing that you personally request your fellow citizens to pray for guidance in all matters of life, why not trust in God and leave the results to the divine dealings?

The Prince of Peace said that when you hear of wars and rumors of wars, and distress of

nations, you are not to be afraid for these things must needs be. Man is not going to destroy this universe. God has appointed that for His own doings and time. He did destroy the old world, then brought the life of our day and time into being. To pray for the cessation of war and all its evils will not cleanse our nation's sin. We as a nation provoke God hourly and He said because of people's rebellion against His laws he sends trouble.

Since fully 75% of the citizens of America want you to stay in the President's office and are praying for that end, why not run for a second term?

WM. H. POLLGREEN.

Dear Sir:

Praise the Lord that we of this village are not to be among those who sleep themselves to death due to inactive imaginations.

My first husband used to say to me, "Phoebe," he'd say,

"Phoebe, when you ain't got no imagination you might jest as well go dig yerself a deep hole, crawl in it, and then pull the hole in after you because, honey, you're dead."

Anyhow, I'm going ahead on my pet project.

I am speaking of the J. Humphrey Pashton Memorial Committee.

I picture Mr. Pashton as the "retired brigadier general of the British Army" type. Stately, with puffed-red cheek and walrus mustache. Somewhere in his middle 60's, I should think.

The monument, we have decided, will be plaster of paris, gilded, figures of a man and a dog standing at the base of the biggest tree in town. The man will have both feet on the ground and the dog all three.

And now I shall get off your necks. "Phoebe," my "ex" used to tell me, "git off them people's necks."

So I shall.

Yours in the democratic spirit,
PHOEBE Q. TUPPER.

Behold! The Lowly Lemon

I acquired a lot of interesting, if useless, information this week when the lemon people sent in a booklet commemorating their 100th anniversary.

For example, I bet you didn't know that the Forty-niners gave the industry the squeeze, in a manner of speaking, that shot it to the heights it occupies today.

Fact. It seems those old gold-diggers ran plumb out of fresh fruits and vegetables. Scurvy was dropping them like flies.

Along came the lemon. No more scurvy. Miners went broke instead, paying a dollar a throw for lemons.

And the lemon industry

thrived and grew and grew and thrived from those humble beginnings until today the average American consumes 5.6 pounds of lemons every three years. That ain't hay. That's lemons.

Another thing. Know why the British sometimes are indelicately referred to as Limeys?

Because they, too, were a scurvy crew back in 1795. Then the British Navy discovered lemons. No more scurvy. Fact. But they're still called Limeys.

I've got lots more dope on lemons. But it'll have to wait for another week when there's editorial space to fill.—W.F.T.

Why Not Parallel Parking?

Of the many traffic problems that crop up in an expanding area, none probably is more vexing than angle parking.

Angle parking, like we have in Sierra Madre, makes room for more cars. It also creates safety hazards, as everybody who has driven through the business district here must realize. Banged-up fenders and frayed tempers are a constant reminder of the price we pay for our parking system.

With the addition of three new parking lots, which should soon be completed, it's possible

the city may be able to pass an ordinance requiring parallel parking.

Police Chief Gordon G. McMillan, in a report presented nearly three years ago, was clearly in favor of parallel parking, if feasible. Chief McMillan, for example, quoted as follows from a report by the Eno Foundation for Highway Traffic Control:

"Another study of accidents involving parked vehicles showed vehicles angle parked to be involved in about three times as many accidents in leaving parking spaces as vehicles parked parallel to the roadway."

In the same report, Chief McMillan found that the Automobile Club of Southern California listed the following benefits of parallel parking:

1. Added convenience and facility to traffic circulating in the district.
2. Added safety to pedestrians.
3. Added safety when leaving the parking stall.
4. Improved appearance of the district.
5. Fewer instances of vehicles being damaged by the careless opening of car door.

The advantages of angle parking were listed as:

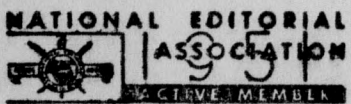

1. The ease of access.
 2. Added curb parking space.
- It seems apparent that parallel parking is much more desirable than our present system. It also probably is true, as Chief McMillan printed out, that present parking demands, which are increasing daily, cannot be satisfied by on-street parking, regardless of the type utilized.

More off-street parking, such as will be provided by the new district, and parallel parking on our streets may be the answer to our problem here, at least for a time.—H.W.E.

Mr. and Mrs. Larry E. Pollgreen

Miriam Jean Marshall, daughter of Mrs. Ruth Freeman Marshall, 147 1/2 W. Sierra Madre Blvd., exchanged nuptial vows with Larry E. Pollgreen, son of Mr. and Mrs. Thomas C. Pollgreen, 283 W. Highland, in a candlelight ceremony Feb. 20 in Bethany Church with Dr. Robert N. Schaper officiating at the double ring ceremony.

The bride, given in marriage by her uncle, Clarence Freeman, chose a waltz length white Chantilly lace and net over satin gown and carried a bouquet of white carnations and orange blossoms centered with a white orchid. A coronet held her French illusion veil in place.

The maid of honor, Elizabeth Knittel, wore a yellow taffeta frock and carried yellow and white carnations. The bridesmaids, Barbara Fergus and Lydia Richter, were attired in pastel green taffeta dresses and carried bouquets of yellow

carnations.

Mr. Pollgreen served his son as best man and the ushers were Anthony Cirana and Edwin Scoville.

Jeanne Pollgreen and Mrs. Robert N. Schaper were soloists.

Following the ceremony a reception for 200 was held in Fellowship Hall.

Out-of-town guests at the wedding included Mr. and Mrs. C. Freeman, uncle and aunt of the bride; E. Freeman, grandfather of the bride, and Mrs. C. M. Pendleton, aunt of the bride, all of San Diego, Calif.

Also, Mrs. H. P. Williams of Redondo Beach, Mr. and Mrs. B. Pollgreen and their daughter, Linda, of Ventura, and Mr. and Mrs. A. C. Marshall and Mrs. S. Hughes of Covina. The newly married couple will make their home in San Diego, where Mr. Pollgreen is stationed.

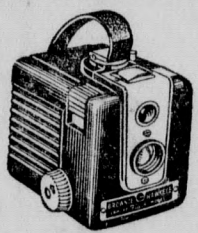

Delta Zetas Plan Leap Year Ball March 3 to Benefit Gallaudet College

The "Tender Trap" is being baited and set by the members of the Pasadena-Foothill alumnae chapter of Delta Zeta to make sure of large attendance at their Leap Year Ball.

Mrs. Jay P. Phillips, chairman, announces the party will be held March 3 at the Altadena Town and Country Club beginning with cocktails at 7 p.m., banquet at 8 p.m., and dancing from 9 p.m. to the music of the popular dance band, The Naturals.

The Delta Zetas will spare no effort, even to building a better mouse trap, to assure success in this undertaking, for all proceeds will be used in a project dear to their hearts—assistance to a national Delta Zeta philanthropic interest, Gallaudet College in Washington, D. C.

This unique school is the only college in the world to grant full academic degrees to the deaf. In addition, Gallaudet offers a preparatory class for those deaf who are unable to secure a high school education in their own states as well as a post-graduate course to those who are specializing in the teaching of the deaf.

Theta Sigma Phi To Sponsor Biennial Benefit March 12

"Fashion Flies to Outer Space" is the theme for Fashionations of 1956, the nationally-known biennial benefit sponsored by Theta Sigma Phi alumnae chapter, a national professional sorority for women in journalism.

The gala event is scheduled for March 12 at 12:30 p.m. in the Embassy Room at the Ambassador Hotel. Mrs. William Roland Moore, president of the chapter, has announced Agnes McCay, Los Angeles Herald-Express fashion editor, will be commentator for this "astro-ramic" style parade which she originated and personally staged for the group 10 years ago.

Walt Disney and Disneyland will re-create an outer-space setting. Scientific models, arranged in their proper relationship to each other in the orbit 1,075 miles above the earth, will set the stage for the meteoric fashion showing.

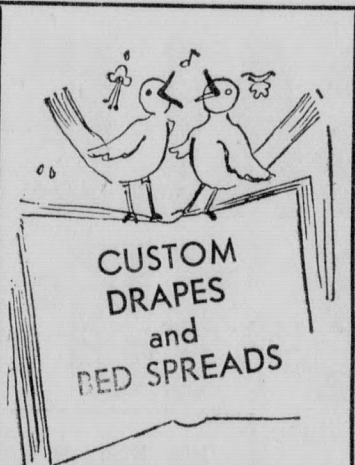

"Futures Unlimited" in stellar originals by 56 outstanding couturier designers will range from active sports to the most formal ball gowns. Designers will present models they have created especially for Fashionations of 1956.

All funds raised will go to a scholarship, a fellowship, the local handicapped veterans' writing project, and other philanthropies of Theta Sigma Phi.

Here Are Some Do's and Don'ts On Kite Flying

Kites are filling the local skies again, so here are a few tips aimed at averting the mishaps which have accompanied kite season in the past:

1—Never fly kites near electric or trolley lines or over TV or radio aerials.

2—Don't design kites with wire, aluminum foil or metal in the frame or tail, and never use tinsel string, wires or twine that has a metallic substance.

3—Never fly kites in the rain, and don't run across streets or highways trying to get them in the air.

4—If a kite catches in a power line, let go at once. Don't pull the kite or try to climb the pole.

These tips are offered by the Southern California Edison Co. in line with its annual safety program during kite season.

St. Catherine's To Sponsor Benefit Tea

With a knowing eye on packable fashions for travelers, members of St. Catherine's Guild, Episcopal Church of the Ascension, will sponsor a benefit tea featuring all-occasion hats designed for travel by Mrs. Russell Stapleton. Mrs. John Seibert and Mrs. Chester Marston Glass Jr. will model the hats.

The tea will benefit the Episcopal Church Home for Children which is located in Los Angeles, and will be given on Thursday, March 8, at 2 p.m. in the Parish House in Sierra Madre. The Church Home for Children is the only such home supported by the Episcopal Church.

Mrs. Henry Clinton Woodard, president of St. Catherine's Guild, said the tea will be the Guild's major social and fund-raising activity for the year. Mrs. Helen Hutton is chairman for the tea. Mrs. Eugene Field Engler and Mrs. Russell Simmons are hostesses, and Mrs. Le Roy Toms is reservation chairman.

A limited number of tickets to the benefit is available and may be obtained by calling Mrs. Toms at ELgin 5-9266 or at the Church of the Ascension following services on Sunday.

Church Group At Conference

Several of Sierra Madre's Congregational Women's Fellowship members were representatives at the regular meeting of the Southern California Conference for the Women's Fellowship in San Diego on Feb. 28.

Speakers at the all-day meeting included Miss Elsie Harris, well-known Long Beach attorney, and Henry Rust, Hillcrest East Whittier Church, former national secretary for Christian Education, who talked on "How Women Can Help Undergird the Youth Program."

Mrs. McElderry, president of the Fellowship of Congregational Women of Southern California and Southwest Conference, reported on the recent mid-winter meeting in Massachusetts.

Those attending the meeting from Sierra Madre were Mrs. Vern Eppard, Mrs. Herbert Seifert, Mrs. George Lindsay and Mrs. Helen Haas.

Girl Is Appointed A Delegate to National Council

Miss Dona Mihalovic, daughter of Mr. and Mrs. John Mihalovic, 608 Elm St., has been appointed delegate to the National Council of the Pilgrim Fellowship, young people's organization of the Congregational Churches.

Six young people from Southern California, Arizona and New Mexico will attend the conference, which is to be held at Doane College, Crete, Neb., in June.

Miss Mihalovic, who is a junior at Pasadena High School, was picked from among the 6,000 young people who belong to Pilgrim Fellowship in this area. She is vice president of the local group.

C. H. French Dies In Hospital Here

Carlton H. French, father-in-law of Rev. Orian G. Burlison, pastor of the Church of the Nazarene here, died Feb. 21 in the Sierra Madre Hospital. He was 77 years old.

A resident of Los Angeles, Mr. French taught school for 22 years in Idaho before moving to Southern California in 1927. He devoted a large share of his time to helping his wife, who for the past 33 years had been a pastor in the Church of the Nazarene.

Former Postmistress Dies in Nevada

Memorial services for Mrs. Jessica Holmes Wright, former Sierra Madre postmistress, will be conducted by the Rev. Harley G. Smith Jr. at the Church of the Ascension on March 5 at 11 a.m.

Mrs. Wright passed away Oct. 14 in Salt Lake City. She was the daughter of the Rev. William Wilson, Episcopal rector of New York City. She and her husband, John Hastings Wright, came to Sierra Madre in 1906. Mr. Wright was a well known court reporter in Los Angeles for many years.

Mrs. Wright was in charge of the post office during the 20s and early 30s. She was a member of the American Legion Auxiliary, past president of the Woman's Club, active in the Red Cross and in the activities of the Episcopal Church.

She left Sierra Madre several years ago to make her home with her son at Deeth, Nev.

Survivors include the son, William Wright; two grandsons, William and John Wright, and two great-grandchildren.

ATTEND ASSEMBLY

Sierra Madreans who attended the recent three-day semi-annual circuit assembly of Jehovah's Witnesses at Pomona included Mr. and Mrs. Robert Perrin, Mrs. Lona Barton and Mrs. Clifford Olcott and children.

TO ATTEND RALLY

Members of the Pilgrim Fellowship of the Congregational Church will attend an Area Rally at Neighborhood Church, Pasadena, this coming Sunday. Area officers will be elected.

C.A.R. Has 1st Meeting In Arcadia

The first meeting of the year of the Mark Hopkins Society, Children of the American Revolution, was held in the Arcadia home of the new senior president, Mrs. Edward Barnes. Mrs. David R. Wood, past regent of the sponsoring chapter, the Santa Anita D.A.R., was chairman for the affair.

Laura Larimer, junior president, presided at the business meeting and was assisted by the newly elected officers.

Mrs. Harold P. Thompson, national senior vice president, spoke on "The Origin of the C.A.R." explaining how this group was first organized three years ago with a membership of 225 children and has grown to the present membership of over 800.

California's first C.A.R. society was formed in San Francisco under the name of the Valentine Hope C.A.R. California now ranks second in the nation with 34 such societies.

Mrs. Peterson stressed the important part parents have in such matters—explaining that the very roots of the D.A.R. and also Sons of the American Revolution are made up of this young group and adults should realize the awesome power they have as parents and teachers in shaping the world of tomorrow in the children of today.

The Santa Anita Chapter of Arcadia, D.A.R., maintains a subscription for the C.A.R. magazine in the Arcadia Public Library. Much information relative to membership, eligibility and activities of this society may be obtained through reading this little magazine.

Stated Meeting For Eastern Star

A stated meeting for members of Eastern Star is scheduled for March 5.

The worthy matron, Laura Williams, 181 Vista Circle, will entertain the officers at a luncheon March 3 where plans will be made for Courtesy Night, March 19, and the coming style show and buffet luncheon scheduled for March 22.

VILLA

As the walrus said, "The time has come." This is the last copy of the throw-away papers in the Upper Ranch. Those in the Lower Ranch and the Villa gain a reprieve of a few weeks because solicitations are taking longer than originally estimated.

For those of you who have supported the drive for subscriptions to benefit Cystic Fibrosis I thank you from the bottom of my heart, and to those who do not want to at this time we also thank you for taking the time to read the paper.

Perhaps you will miss it so that you will want to have it in the future. At any rate I shall continue to plug along with my local news, and I do hope I will continue to have the support of the people who read my column.

MRS. HORACE WHITECAR, of 1700 Old Grove Road, gave a dinner party for the outgoing officers of the Pythian Sisters on Feb. 24. Mrs. Whitecar herself was Most Excellent Chief of the Pasadena Temple 4. Among those attending were Mesdames Louis Vangen, Neil Rowley, Paul Heath, William Caton, Jeff Tomary, William Pette, Earl Bailie, Bert Duncan, Bert Benner, Joe Flock, Richard Sweet, Jack Reed and Elsie Powland.

DR. AND MRS. ROBERT L. Mueller, of 1600 Old House Road, entertained three couples at an informal dinner party Feb. 24.

MRS. WILLIAM FRIEDRICH, of 3300 Barbite, has deserted the coffee crowd of late to assist her husband down at the Highlander.

MRS. WAYNE FURSTENBERGER, of 3125 Meyer Lea Lane, entertained 30 guests at a salad luncheon and card party for the benefit of the P.E.O. home in Alhambra.

MR. AND MRS. JOSEPH Philpott, of 1485 Old House Road, have offered daily entertainment to the children of the street as they all gather round and sidewalk superintend the construction of the Philpotts' 60-foot swimming pool, "Philpotts' Folly," as Amy calls it.

MRS. EDWARD MEYER, of 3110 Meyer Lea Lane, entertained at a luncheon at the Eldorado Inn to honor her mother, Mrs. Harry Thompson, on her birthday, and to honor her houseguest, Mrs. Lily Weaver of Pennsylvania. Among the others who attended were Mrs. Ray Hall, Mrs. Joe Cuellar, Mrs. Laurence Dietzel, Mrs. Karl Dietzel and Mrs. Wayne Furstenberger. After the luncheon the ladies returned to the Meyer home to play cards.

MISS JULIE PYLE, daughter of Mr. and Mrs. Edwin Pyle, of 1432 Old House Road, brought home and trophies to our street this past week. She entered two saddle-bred horses and one walking horse in the Riverside County Fair and Date Festival, and in the eight classes that they entered they brought home eight ribbons. Julie won the Blue Ribbon in the Ladies Class on her five-gaited horse, "Tied Blue." There were three second places, two thirds and two fourths. Isn't that an enviable record? While they were at the fair they resided at the Firecliff Lodge in Palm Desert. During their stay they entertained Mr. and Mrs. Lucas Wall, Mr. and Mrs. George Hill, Sandy Hill and Fredericka Finley.

WE ENTERTAINED Mr. and Mrs. Jack Dunn from Rio Del Mar and Mr. and Mrs. Frank Parks at an informal dinner this past week.

Sports in Haste . . .

Playing to Win Is as American
As the Hotdog, Ayres Opines

By Charles Ayres

After two innings of play the score read Braves 10, Reds 0. It was a miserable day, particularly for the Reds, who were the defending champs of the Hastings Little League. It was the opening day of the 1955 season and our new fields at Hamilton Park were being christened in a steady drizzling rain.

At the end of the second inning it was agreed between the managers to suspend the game and play it to its conclusion the following Saturday in hopes that conditions would be more appropriate for the sport. The decision also served as an act of mercy for the poor beleaguered Reds who were in danger of being decapitated by the Braves' sharp line drives. Then, too, there was some danger to the Braves squad. The field was so wet that there was a genuine fear that a member of the Braves team might be seriously hurt running the bases.

Come resumption of the game on Saturday and things began to happen. Someone goofed and forgot to tell the Reds they were beaten. The 10-run lead was reduced to six then increased to seven until finally in the last half of the sixth inning (their last time at bat) the Reds broke loose with a vengeance and when the smoke cleared eight runs had crossed the plate and the Reds had won the game, 12 to 11. The impetus and confidence gained from that game carried the Reds to the first half championship and ultimately to the League title for the second straight year. The Braves, too, learned a valuable lesson. "Never take anything for granted in a baseball game." They fought back to take the second half crown and enter the championship playoff.

THE CHIEF criticism of boys' baseball has been that there is too much emphasis on winning. To that I give a big raspberry and ask, what's wrong with playing to win?

Little League Baseball is a program of baseball for boys with the primary objective to teach team play and sportsmanship. The rules contain adequate safeguards to protect the players from any physical excess or exploitation. I cannot speak for other leagues but can assure all that the interest and protection of the boy is paramount in our league.

The will to win and to succeed in competition is as American as the hotdog or apple pie. In my opinion for one to enter a contest and not expend every effort to do his best to win is criminal to himself as

well as his teammates. On any squad of 15 where the members are divided by age requirements, there are going to be some whose physical skill and coordination are further advanced than the others. The starting team and the team that plays the "close" ones then naturally will be composed of those boys if the team's best effort is to be realized. Those who see less action get special attention in weekly practices to develop their skill and close the gap.

Boys recognize this difference and in the case of the Reds have given their full approval to the best team effort. It is a decision that is theirs alone. At the first meeting each year they have unanimously voted to play to win even if it means less action for some. The players most vociferous in their endorsement have been those who stood to see less action as a result. Their feeling is that they are a "team" and if some of their members are better qualified to bring the team success, then that is the way it should be.

This has resulted in team spirit and enthusiasm that has carried the Reds to successive championships against teams whose personnel in some instances was superior to their own. The boys who see the most action are the first to lend assistance and encouragement to their teammates in practices and when they have an opportunity to play in a game.

The winning of the game is not all important. All that is ever required is that the boy do his best, for to do otherwise is unfair to himself and his team. In every game there is a winner and a loser. To have expended your best effort and lose is no disgrace and brings no remorse. At that point you develop a respect for your winning opponent and admit that the better team won, which is the basis of good sportsmanship.

Boys recognize this as well as adults, and no one wants to be put in the position of being unable to hold up his end when the teammate is, at this stage, better qualified to assure his team of the best possible showing.

FOUNDER'S DAY SPEAKER

Dr. Allan Nevins, author and Pulitzer prize winner, spoke Feb. 27 at the Huntington Library's annual celebration of its Founder's Day.

Wilson's 8th graders put on a special assembly honoring George Washington last Friday. It was a shadow-box affair.

MISS VIRGINIA GALLATZ Junior Cotillion was held last Friday evening in the Gold Room, Pasadena Civic Auditorium. It was certainly well-attended by Wilsonites.

THE SENIOR CLASS held its election on Feb. 3. Frances Cook was elected president; Dee Dee Darneyer, vice president; Ann Burdick, secretary, and Margaret Bertleson, treasurer.

MY SISTER, JEANNE, and some of her pals—Ann Lubisch, Karen Buttane, Diane Hitchcock, Susie Hurtig and Karen Sue Cummins—marched and twirled their batons in the Temple City Camellia Parade last Saturday. They were on television, too. Afterwards Karen Sue Cummins treated them to lunch at Fisher's.

McKINLEY AND WILSON will compete at track Friday, March 2, at Wilson. And Wilson meets Eliot on March 9, at Eliot. There is a call out to support Wilson's team—so come on out to the meets and have a lot of fun. The meets are right after school.

Two Couples Have
Skiing Vacation
At Big Bear City

The "ski fever" has struck Ranch devotees as recent mountain snowfalls have brought good skiing for the first time this season.

One expedition to Big Bear included Mr. and Mrs. Jack Washburn and Dr. and Mrs. Bob Brumfield, and even though Mr. Washburn is nursing a wrenched knee the four are hoping to get in more snow trips before spring.

The party stayed at Big Bear City, reporting the best skiing at Snow Summit.

Norman McCann tells me his sister, Janice, has joined the "horsey set." We are not quite sure what the horsey set is, but Janice joined it when her father gave her a horse. The horse is a chestnut mare with a white star on her forehead and Janice has named her Letia. Since Janice and her family live in the hills east of Eaton Canyon, we'll expect to see her almost any day after school riding on one of the many bridle trails near her home with other members of that "set" I mentioned earlier—Ann Fricke, DeeDee McBride, Lyn Wieden, Teddy Osborn and the Ong family.

THE LIFE of George Washington and that of Abraham Lincoln were told us in a speech by Mr. White, eighth grade advisor at Marshall, last Friday. He told the story of George Washington at Valley Forge, and many interesting things in the life of Abraham Lincoln. We all enjoyed his talk.

DONALD COTTEN, 9th grader, had a real big dose of bad luck the other day. He got the measles right on his birthday. Some of us just don't live right, I guess. Take it easy, Donald, we miss you.

CONGRATULATIONS to Judy Ives' mother, Mrs. Marvin Ives, who was honored by Marshall PTA with a Life Membership. Mr. Oscar J. Owen, faculty member at Marshall for many years, received one, too. The presentations were made in the form of original verse written by Dr. W. N. Wilson, our principal. We are all for the PTA. A lot of us students don't realize how much the PTA does for us, but it's plenty. Some day we will write a column about it. Janet Liljegen, Carole Schofield, Betty Palmer and Peggy Mahfood, students from Mrs. Emerson Nelson's speech class, presented a skit at the Founders' Day meeting dramatizing PTA policy in lending money from the Student Loan Fund.

Marshall PTA
Awards 2 Life
Memberships

Mrs. Marvin Ives and Oscar J. Owen were singled out by the Marshall PTA at its Founders' Day meeting last week as recipients of Honorary Life Memberships, highest honor the PTA can bestow.

Mrs. Ives, junior past president and present parliamentarian, was honored for her PTA work and civic activities; Mr. Owen, faculty member, for his many years of outstanding service in working with Marshall students.

Dr. W. N. Wilson, principal, made the presentations in the form of original verse commentaries. The Life Membership Committee included, besides Dr. Wilson, Mmes. Lee Roy Ferson, chairman, Boyd Singleton and Russell Lathrop.

Founders' Day program also included a skit by Four Marshall girls dramatizing PTA policy in lending money from the Student Loan Fund, a talk by Pilot Nurse Miss Elizabeth Warner, honoring of past presidents by Mrs. Roquel Sturdivan, president, music by the Marshall Mothersingers, and birthday cake refreshments.

Marshall students from Mrs. Emerson Nelson's speech class who participated in the skit were Janet Liljegen, Carole Schofield, Betty Palmer and Peggy Mahfood.

Mrs. Gregory Has
'Stork Shower'
For Mrs. Krause

Mrs. Arthur Krause was honor guest at a "stork" shower the other night at the Greenhill Road home of Mrs. E. S. Gregory. The theme was carried out in the table arrangement which boasted a little stork nestled among carnations.

Honoring Mrs. Krause were Mrs. Blair Hyde, Mrs. Russell Pooler, Mrs. Cy Underwood, Mrs. Jack Washburn, Mrs. Bob Brumfield, Mrs. Howard Hitchcock, Mrs. Martin Smith, Mrs. Hern Sjogren, Miss Flo Schulze, Mrs. William L. Riedell, Mrs. Robert Davis and Mrs. John Evans.

Marshall Parents
To Meet on
College Needs

What are the requirements for graduation from high school? What grades and which subjects does a graduate need to meet college entrance requirements?

These and similar questions will be answered at a meeting scheduled for parents of Marshall eighth grade students at 7:30 p.m. Tuesday, March 6, in the school auditorium.

Mrs. Una Wickes, counselor at Pasadena High School, will speak about programming for the ninth grade. Mr. Roger P. White, eighth grade advisor, will be in charge of the meeting.

Refreshments will be served in the library following the meeting with Mmes. Jack Evans, T. D. Caswell and Quinn Puhl as hostesses.

Lt. Don C. Wilfong
Embarks for Korea

Lt. Don C. Wilfong, son of Mr. and Mrs. Alex C. Wilfong, 3660 Greenhill, has embarked for Korea following a month's visit with his parents.

Mrs. Wilfong and their small daughter, Linda Louise, will reside in Southern California during her husband's year's absence.

Prior to his leaving, he was honored at a dinner party and reception by his family.

Hastings Ranch residents will vote Tuesday in a Pasadena municipal election on eight propositions of incurring bonded indebtedness to the extent of \$11,000,000 for civic improvements.

The bonds will be repaid in what has been described as a "painless" manner because state-voted sales tax will be earmarked for the purpose. The increase in tax from one-half to one per cent is expected to gross nearly \$2,000,000 annually.

Under the law, the tax must be paid anyway, and money would go to the state unless each community votes to use it.

Hastings residents would see evidence in their neighborhood of dollars thus received, with a new branch library, fire station and street and park improvements planned here.

City Manager Don McMillan said approval of the bond issues may well usher in a "golden era" for Pasadena. This is the largest bond issue ever proposed for the city.

A new east-west street pattern, a million dollars worth of off-street parking, more storm drains, expansion of Fire Department facilities, improvement of parks and libraries, badly-needed storm drains are among items planned with the proceeds.

The bond issues would be based on a 15-year amortization, with interest to be paid out of the first year's receipts.

Polling places will be open from 7 a.m. to 7 p.m., with four for Ranch voters. The precincts, polling address and clerks will be:

Municipal election precinct No. 37—Field School; Mrs. Helen Scott, Mina Swan, Fern T. Smith and Minnette Balluff.

Municipal election precinct No. 38—1385 Davenport; Mary L. Burgwald, Jane C. Reed, Marjorie Rowley and Madlyn Primack.

Municipal election precinct No. 39—3620 Cartwright; M. Lucille Heller, Marjorie M. Thomas, Gerald Ferracone and Robbie Pruitt.

Field Scouts Give
Baby Shower; Plan
Annual Dinner

Eugene Field Boy Scout Troop 377 is always busy with one project or another—but their meeting Monday night was their most unusual event to date.

It was a baby shower in honor of their Scoutmaster, Norman Shanks, and Mrs. Shanks.

Mothers of the boys usually stay out of the Scout activities, but their help was needed a little, this time—to order little cakes, adorned with blue booties for the refreshments, and a special cake to take home to Mrs. Shanks in honor of the occasion.

Members of the troop are Jimmy Bohman, John Bush, Dennis Cosse, Bobby Eichelberger, John Garrison, Jack Gregory, Wally Kelly, Larry Leedom, Dean Lingren, David Martin, John McConaghy, John McGraw, Gary Paulson, David Robinson, Steven Saurenman, Roger Shanks, Gey Simonson, Martin Smith, Forrest Switzer, John and Allen Underwood.

The boys have been out selling tickets to their annual spaghetti dinner Saturday night, March 10, in the Field cafeteria. Donation will be \$1.25 for adults and 75 cents for children, and proceeds will help pay for troop activities.

Anyone interested in purchasing tickets may call Jack Atkinson, at ELgin 5-0683, and a Scout will be dispatched to make the sale.

Wide-Open Race Seen in Santa Anita Derby Saturday

The \$100,000-added Santa Anita Derby, which has acquired national prestige by producing three of the last four Kentucky Derby winners, is shaping up as a wide-open race for its 19th running this Saturday.

The three-year-olds on the grounds have been beating each other so frequently during the meeting there is no early stand-out as was the case with the Cal-bred Swaps, Determine and Hill Gail in recent seasons.

Determining factors Saturday are that the developing sophomores will be carrying equal weights of 118 pounds and the distance of 1 1/8 miles will be attempted for the first time.

A luke-warm favorite is the Rex C. Ellsworth team of Ter-

rang, a two-times stakes-winner, and Like Magic, the full brother to Swaps. Others that have won stakes during the meeting are Llangollen Farm's Social Climber, Mr. and Mrs. Charles Turner's Fathers Risk and Dino A. Lozzi's Count Chic.

Supporting feature on Santa Anita Derby Day will be the \$25,000 Camino Real Handicap on the turf course that will be a preview of the \$100,000-added San Juan Capistrano 'Cap at about 1 1/4 miles on March 10, closing day.

The \$20,000 Christopher J. Fitzgerald Handicap on Wednesday will be Santa Anita's 28th stake of the meeting. It's a sprint of 7 furlongs for 3-year-olds and up. Overnight features during the 10th week of racing will be the Exchange Clubs, Thomas Farm, Whittier (Tuesday); Sneed Stock Farm, Lodge Night (Wednesday); San Diego, Three Rings Ranch, Mafosta (Thursday); Samuel Alken Hill View Farm, He Did (Friday); and W-L Ranch (Saturday).

COURSES STILL OPEN

Air Force Reserve officers of the San Gabriel Valley still can enroll in Specialized Training Courses, although classes began Feb. 2, according to Lt. Col. George E. Bartling, center commandant, Pasadena Air Reserve Center.

FIRE FLAMES

By JAMES HEASLEY

We must all be seriously thinking of the tragedy suffered by Arcadia, when a home was destroyed by fire and a life lost.

Long before the fire was discovered by neighbors, it had gradually grown from a simmering one into what we all realize now as a disastrous one. We learn from this experience what it means to be fire conscious, particularly before retiring.

It is surmised, and is very probable, that the fire was caused from the notorious mislaid and forgotten cigarette. This serious practice has been about the number one source of fires in the past few years. And still we will venture into bed with a cigarette between our lips and feel that "it can't happen here."

The recent drill methods of the firemen have proved of inestimable value. Alternating from one situation to another acquaints members with the many necessary operations.

Because of our situation, it is important that each man know something about the whole works. He must drive, lay a line, know the equipment and a hundred and one other maneuvers.

A good turnout last Friday found the trucks at work and a crew of men at the station testing tools.

Our business meeting didn't go without the usual hilarity. John Goodall accidentally stepped on the wrong button of the fire truck. This alone costs any member a "buck," but John failed to realize that the second time he stepped on it—for revenge—would also cost him a buck. We now call him "two in one."

Dr. H. E. Dewey, Ex-Resident, Dies

Services were held Feb. 19 at the San Pedro First Presbyterian Church for Dr. Henry E. Dewey, formerly of 50 Rancho Road, Sierra Madre, who died in his home in San Pedro.

Survivors include his widow, Elizabeth; three sons, Tom, Robert and John; a daughter, Mary, and five grandchildren.

\$500 Per M For Lumber

The "Great Emigration" of 1842 brought many Americans to the Pacific Northwest. Production of lumber flourished. Oregon City alone shipped a million board feet of lumber in 1849 to San Francisco. That city had had five great fires by 1852. The price of lumber ballooned to \$500 per thousand board feet.

As an example of enterprise, one story goes, a man in Everett saw a market for coffins in San Francisco. Before he could ship them the miners bought them all at a high price—and used them to sleep in—dry, warm and snug, all along the trail to the Monte Cristo diggings!

Services were held Feb. 18 for Mrs. Emma Kidwell Weedham, former Sierra Madrean and pioneer Californian who died Feb. 15 at the Cedar Lodge Convalescent Hospital in Los Angeles. She was 93.

Mrs. Weedham, who came to California in 1885 with her late husband, Charles E., lived in Sierra Madre from 1943 to 1946 with her daughter, Ruth, who was church visitor and director of Christian Education at Bethany Church here until 1946, when she moved to Pasadena.

Mrs. Weedham and her husband, who died 19 years ago, were natives of Elwood, Ind.

Cub Pack 371 Holds Blue and Gold Dinner

Cub Pack 371 held a Blue and Gold dinner on Feb. 17 at the Congregational Church.

The tables were decorated with favors made by the Cub Scouts of marshmallows and animal crackers, on tablecloths of blue and gold crepe paper. Each family brought some of their own food and shared it with the others.

The fathers put on a program consisting of a quartet and a pantomime and silhouette story of a man having a haircut and shave. Also included was an audience participation story.

Cubmaster William Barnes gave out awards to the Cubs for their achievements.

Scanning the Sports Scene

With BOB BROGGER

Glendora, the town that is rapidly becoming the sports center of the world, will be the site of the Harlem Magicians-New York Olympians game on March 10. This fabulous contest will be played in the new Citrus Junior College gym.

The Magicians are led by the clown prince of basketball, Goose Tatum, and the great dribbler, Marques Haynes. With each basket and free throw, the Goose moves a little closer to a goal no cager has ever attained: his 100,000th point. He should reach this point total in the next few weeks. After reaching this goal, the "Golden Goose" has no intention of retiring. As a matter of fact, he and Haynes are planning another world tour that will keep the famous duo going and going.

SCENES THAT HAVE BEEN SEEN: Dennis Lees, of 280 N. Grove, used to play with Dave Benaderet, the star guard for the Loyola Lions. They were buddies down in Long Beach.

Up to last weekend, Pasadena City College's pride and joy, Ken Pearson, now second-string center for SC's Trojans, had played in 17 games, was 7th in team scoring with 79 points and a 4.6 average. Jim Harrison, another alumnus of PCC, now strolling around UCLA and playing basketball, has played in 6 games (including last Saturday's) and has scored 4 points. They're both juniors. . . . Laury Cavalier is making a name for himself on the PCC varsity baseball squad. What it is, we're not allowed to print. Kidding aside, though, the peppy 5'8" shortstop is playing a lot more ball now than he did when he was in high school. Mainly because he has finally found his batting eye. Up until the time of last Saturday, "The Kid" was batting 6 for 10, or a .600 average. A tremendous improvement over last year. His fielding has been flawless, as usual, and if he keeps up like this, he'll have to start scaring the scouts away.

We received a few letters concerning last week's statement that the Boston Red Sox were going to train at the Sierra Madre School. They thought we were serious. We were kidding then, but they were thinking about it a few months ago. The club officials came to Sierra Madre to look over the field, and after a few quick moments of observation, commented: "The players would need more showers."

Purim Services Held Saturday

Special services were held Saturday at 7:15 p.m. in the Foothill Community Center, 212 N. Lima St., to commemorate Purim. The Megillah was read.

The festival of Purim is celebrated each year to commemorate the failure of Haman, prime minister of Persia in the days of King Ahasuerus, to exterminate the Jews, who were saved by Queen Esther and her uncle.
